National Notary Association : 101 Useful Notary Tips before purchasing it in order to gage whether or not it would be worth my time, and all praised 101 Useful Notary Tips:

2 of 2 people found the following review helpful. FREE at (...)By M. PompiliusA downloadable pdf of This publication is available FREE at (...) - no strings attached.This is a handy reference publication produce by NationalNotary.org. For its purpose- a QUICK reference guide with TIPS, I give it 5 stars. It is more geared toward clarifying than instructing, but many of these tips are really helpful. For example, some tips tell you what certain legal

terms for notarizing activities actually mean: "subscribe" and "execute" means to sign, "instrument" means document, etc. Another tip reminds you to verbally confirm with blind signers that they know what it is that they're signing. However, it is NOT a training publication- you will need more specific training if you are a new notary, and you will need specific guidelines for your state also. 0 of 0 people found the following review helpful. Five Stars By R.D. Great handy reference manual for notaries.

How do I? When do I? What do I? 101 Useful Notary Tips will answer all these questions and more! Its full of tips on subjects ranging from acknowledgments and jurats, to apostilles and foreign travel, as well as Notary stamps, seals and signatures. This is a helpful, easy to understand guide filled with practical, use-it-now advice.
