**Faith Powers : 171 Reasons Why You Should Never Live Next Door to Your In-laws (Living Next Door to Your in-Laws)** before purchasing it in order to gage whether or not it would be worth my time, and all praised 171 Reasons Why You Should Never Live Next Door to Your In-laws (Living Next Door to Your in-Laws):

This book is for anyone who has ever been in a relationship. Whether you are single, dating, engaged, married,

divorced or on a break - this book will touch your funny bone as well as your heart. This book would be a great shower, bridal, wedding, anniversary, real estate evaluation gift, or I told you so gift. This book is a great stress release for yourself - to sit back, relax and place the world on hold -

"When you marry someone, you marry the whole family...a riotously funny picture of what it could be like living next door to in-laws...It is also a great read for just about anyone who needs to laugh..." -- Diane Peterson - Chicago and Orlando Woman's Newspaper  
From the Publisher Faith Powers is the author of "171 REASONS WHY YOU SHOULD NEVER LIVE NEXT DOOR TO YOUR IN-LAWS." A serial writer and motivational speaker, Powers shares her story of domestic abuse survival with a sense of wit and humor. An in-demand guest, this media veteran has been featured on national FOX News Radio and NBC News television in San Diego along with radio and television stations across the nation and Canada. A Major network has expressed interest and are `considering' turning Faith Powers book "171 Reasons Why You Should Never Live Next Door To Your In-Laws" into a sitcom. Faith Powers unique style of humor will sweep the nation in a way that has never been done before with this series and the other series to come. Also... The illustrator, Dean Kawada was one of the many animators in the films: "Spirit", "Anastasia", "Titan AE", and "Bartok the Magnificent", Fox, and DreamWorks animation, along with being one of the creators of "Courageous Crustaceans".  
From the Author I truly did live between three sets of in-laws. So, I can speak from experience! I refer to my 'past' marriage as "21 years of combat experience," but through the healing power of humor I turned the negatives surrounding me into positives. I cover all types of in-laws from A to Z - angry to zany. This could book can even relate to a nosey neighbor.
