Newly revised with completely updated material for this 2006 edition, our unique electronic book on CD-ROM has an amazing collection of the finest federal documents and resources on government grants plus assistance programs for small businesses. It even includes a section on getting files and records from government agencies through the Freedom of Information Act (FOIA) and the Privacy Act. Save time and effort by using this comprehensive resource to find grants, disaster relief, loans, programs, or records! There is individual coverage of federal agencies and departments, along with tips and resources for grant proposal writing. In addition, next-generation search technology allows complete cross-file indexing and makes all files on each disc fully searchable! The depth and breadth of the coverage of federal grants and small business programs is truly awesome. FEDERAL GRANTS - We go far beyond

just the Catalog of Federal Domestic Assistance (CFDA), the OFFICIAL guide to federal grants, with its thousands of pages on loans, grants, surplus equipment, and training from 1662 agency and department programs worth \$300 billion. (The printed CFDA is still sold by GPO for \$67!) There are 86 new programs from the Dept. of Agriculture, Defense, HUD, Interior, Justice, Labor, State, Transportation, NSF, SBA, EPA, Energy, Education, HHS, Homeland Security, USAID, Delta Regional Authority, Smithsonian Institute Fellowship Foundation in this edition. Our CD-ROM has 51 unique sections devoted to specific agencies or topics, with over 56,000 pages of material. FOIA and Privacy Act coverage has information on contacting every government agency, guides to writing FOIA requests, FOIA law and related topics. There is specific information on all types of assistance: Formula Project Grants, Direct Payments - Unrestricted Use, Loans, Insurance, Sale/Exchange/Donation of Property and Goods, Use of Property, Facilities, Equipment, Advisory Services, Counseling, Technical Information, Training, Investigation of Complaints, and Federal Employment. Categories of service provided include: Agriculture, Arts, Business, Commerce, Community Development, Consumer Protection, Disaster Prevention and Relief, Education, Employment, Labor, Training, Energy, Environmental Quality, Food, Nutrition, Health, Housing, Humanities, Information, Statistics, Law/Justice/Legal Services, Natural Resources, Regional Development, Science, Technology, Social Services, Income Security, and Transportation. As the catalog itself says, "Get started today exploring the amazing world of grants and loans provided by the Federal Government!" This incredible CD-ROM is packed with over 56,000 pages reproduced using Adobe Acrobat PDF software - allowing direct viewing on Windows and Macintosh systems. Advanced search and indexing features are built into our reproduction, providing a complete full-text index. This enables the user to search all the files on the disk at one time for words or phrases using just one search command! The Acrobat cataloging technology adds enormous value and uncommon functionality to this impressive collection of government documents and material. Our news and educational CD-ROM and DVD-ROM discs are privately compiled collections of official public domain U.S. government files and documents - they are not produced by the federal government. They are designed to provide a convenient user-friendly reference work, utilizing the benefits of the Adobe Acrobat format to uniformly present thousands of pages that can be rapidly reviewed, searched by finding specific words, or printed without untold hours of tedious research and downloading. Vast archives of important public domain government information that might otherwise remain inaccessible are available for instant review no matter where you are. This book-on-a-disc format makes a great reference work and educational tool. There is no other reference that is as fast, convenient, comprehensive, thorough
