Ian Gallacher : A Form and Style Manual for Paralegals before purchasing it in order to gage whether or not it would be worth my time, and all praised A Form and Style Manual for Paralegals:

This concise manual guides paralegals and paralegal students through all phases of the writing process, from preparing to write to polishing a finished draft. Written in accessible, easy-to-understand language, it offers practical suggestions

on outlining and establishing deadlines as well as comprehensive, jargon-free advice on grammar, punctuation, usage, document formatting, editing and proofreading. The manual is written by an experienced teacher and practitioner and is intended as a reference for paralegals at all levels of experience who know what they want to write but who might have forgotten the details of the more mechanical aspects of writing. Uncluttered by lengthy examples or exercises, this short reference work provides brief illustrations to clarify the text and focuses on helping writers produce legal documents of all types that are easily read, technically accurate, and effective.

About the Author Ian Gallacher is a professor of law and Director of Legal Research and Writing program at Syracuse University College of Law. Before teaching, Professor Gallacher was a partner at the law firm Goodell, DeVries, Leech and Dann in Baltimore.
