James Traub, Louise Arbour : A Global Agenda: Issues Before the United Nations 2011-2012 before purchasing it in order to gage whether or not it would be worth my time, and all praised A Global Agenda: Issues Before the United Nations 2011-2012:

1 of 1 people found the following review helpful. Comprehensive with good index of the year's UN issuesBy Robert M. NiedIf you wish information about the UN's year, this is only available volume of which I am aware. I keep each year's volume for possible research, so I gave it four stars because it does not pretend to be comprehensive on each subject. However, it serves its purpose for occasional usage.

A Global Agenda is a compilation of essays by academics, policy experts, United Nations experts and journalists on the most important geopolitical issues in the world today. It is aimed at academics and the foreign affairs community.
