Bari Z. Weinberger Esq. : A Guide To Contested Divorce In New Jersey before purchasing it in order to gage whether or not it would be worth my time, and all praised A Guide To Contested Divorce In New Jersey:

A Guide to Contested Divorce in New Jersey Does your divorce involve a high degree of disagreement and conflict? If youre dealing with such hotly contested issues as child custody disputes, disagreements over who keeps the house, or

you're fighting over alimony, child support payments, business interests and other financial issues, *A Guide to Contested Divorce in New Jersey* has the information you need to help you reach a fair settlement and finally move on with your life. In clear, empowering language, Bari Z. Weinberger offers readers the opportunity to:

- Gain an overview of the divorce process in New Jersey, including how to initiate a divorce filing and how to respond to divorce papers if you are not the filing spouse.
- Learn the first steps involved in the contested divorce process, including attending a case management conference, participating in the discovery process, attending parenting programs, and participating in a Matrimonial Early Settlement Panel (MESP).
- Understand the factors used by courts in determining case track assignments and trial dates.
- Find out what goes on in the courtroom during a divorce trial, how witnesses are called to the stand, and which helpful experts you may want to have testify on your behalf, including real estate appraisers, mental health experts, and forensic accountants.
- Gain valuable tips for making a good impression in all your courtroom dealings.
- Discover options available at every step to help you resolve your issues and change your contested divorce into an uncontested divorce.

What readers are saying

You can't walk into a divorce trial cold. If there's even a hint that your divorce won't be settled without a fight, read this guide. T.H., Bergen County

Every state has different rules when it comes to contested divorce and divorce trials. It is great to have a guide in my hands that addresses New Jersey divorce and the New Jersey divorce trial system. I finally feel informed! A.C., Morris County

For some very good reasons, my divorce ended up going to trial. My Weinberger Law Group attorney was a courtroom star! I couldn't have asked for better. I am happy to see the same Weinberger Wisdom on display in this guide. J.B., Monmouth County
