Anyone working in the rehabilitation arena these days is fully aware of the potential for litigation. Whether you are a counselor, life care planner, case manager, researcher, nurse, or technical expert, the chances of being called to give a

deposition or make a courtroom appearance increase daily. Today, the role of the rehabilitation professional is not getting any easier. With litigation more than a possibility in any disability or catastrophic illness case, rehabilitation experts, both plaintiff and defense, need to present themselves in the very best light possible. *Guide to Rehabilitation Testimony: The Expert's Role as an Educator* offers something for everyone, novice and expert alike. Here are 10 comprehensive chapters of courtroom-tested procedures that work. Also provided are 11 valuable appendices. In over 23 years of working as a rehabilitation professional, Dr. Deutsch has spent thousands of hours giving testimony. Here are tried and proven methods of handling yourself and your material in a legal setting.

A classic work by a leading expert in legal testimony, this is an important addition to the library of any professional who finds that their work may bring them into the legal arena. Whether you are a counselor, life care planner, case manager, nurse, physician, researcher, technical expert, or allied health professional, whether you are working for the plaintiff or defense, you will benefit from the guidance laid out in this book. -- From the Publisher
