Bryan A. Garner : A Handbook of Criminal Law Terms (Black's Law Dictionary Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Handbook of Criminal Law Terms (Black's Law Dictionary Series):

3 of 3 people found the following review helpful. Not written for lawyers - good reference for non-lawyers
By gorillagorillagorilla
As the back cover makes clear, this is a handy desk reference for non-lawyers who work in or around the criminal law. Attorneys with similar interests might do better with Black's dictionary or Garner's Modern Legal Usage. These contain more examples, alternatives, suggestions on usage and etymology.
0 of 0 people found the following review helpful. Know Your Rights
By Atlachinolli Coxcatl Tezcacoatl
A must have handbook and dictionary of the same author. Makes the understanding of legal terms and law easier.
0 of 0 people found the following review helpful. Must have
By E.A.
This book is a life saver. It is an essential resource for my criminal law class.

-More than 3,000 key words and phrases. -Covering several fields, from criminology to criminal procedure to penology. -Helpful extras, including the Bill of Rights. -751 pp.

About the Author
Acknowledged by linguists and lawyers alike as THE authority in legal language and usage, his influence is both far-reaching and profound. Mr. Garner has had a hand in editing the most important legal references produced in the last decade, as well as in training lawyers and judges on sharpening and clarifying their own legal writing. In short, no one better bridges the worlds of law and language--nor is better suited to take on the classic work and make it better.
