From Fulcrum Publishing : A Handbook on International Wilderness Law Policy before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Handbook on International Wilderness Law Policy:

The first comprehensive guide to international wilderness laws, this handbook offers a detailed how-to guide for

conservation professionals interested in developing new wilderness laws or policies in their countries. Includes case studies written by leading conservationists from 12 countries and one indigenous group (the Confederated Salish and Kootenai), as well as a matrix allowing for easy comparison of the different wilderness definitions in use around the world.

About the Author Vance G. Martin joined The WILD Foundation as president in 1984 after 15 years in international business and nonprofit management. He serves on the boards of numerous organizations and is the founder and current cochairman of the World Conservation Union Wilderness Task Force. Cyril Kormos is the vice president for policy at The WILD Foundation where he is leading an initiative to assemble the most up-to-date information and tools for wilderness conservation for presentation at the World Wilderness Congress.
