The first thing that strikes you is its all-star cast of authors and editors--a veritable 'Who's Who' of trademark lawyers and TTAB specialists--who do not disappoint. The masterfully written and immaculately organized

book provides detailed and insightful commentary on all facets of TTAB practice and procedure. I especially like the helpful checklists, forms, and practice tips contained within each chapter. This book is destined to be a must for any lawyer practicing before the TTAB.

This first-of-its-kind treatment of U.S. Trademark Trial and Appeal Board Proceedings (TTAB) is written by a veritable Whos Who of trademark lawyers and specialists in the practice. It combines legal expertise with practical insights on all facets of TTAB practice and procedure, providing insightful commentary on each facet of Board practice, including inter partes proceedings; disclosures and discovery; motion practice; evidence and the use of experts; oral arguments; appeals; settlement and alternative dispute; and ethics. Each chapter includes a checklist of items that should be considered during each stage of a Board proceeding.
