David Thomas Pisarra : A Man's Guide to Domestic Violence before purchasing it in order to gage whether or not it would be worth my time, and all praised A Man's Guide to Domestic Violence:

This short helpful guidebook is written for men with questions about what to expect in a domestic violence case, and how to protect themselves. It uses a clear, direct style without confusing legal terms, to answer the questions most men

ask, providing real-world solutions to everyday situations. This book is designed for a man to go directly to the answers he needs. The case studies section describes real cases and results. The bonus essays are packed with legal information.
