William P. LaPiana : A New York Companion for the Course in Wills, Trusts, and Estates: Case and Statutory Supplement, 2009-2010 before purchasing it in order to gage whether or not it would be worth my time, and all praised A New York Companion for the Course in Wills, Trusts, and Estates: Case and Statutory Supplement, 2009-2010:

Whether you're using Dukeminier, Sitkoff, and Lindgren's, *Wills, Trusts, and Estates, Eighth Edition* or any other Property or Wills, Trusts, and Estates casebook, be sure to use *A New York Companion for the Course in Wills, Trusts, and Estates*. This 2009-2010 Case and Statutory Supplement brings New York-specific law into the classroom. Offering statutory provisions that go to the heart of wills, trusts, and estates, great teaching cases, and complete citations, this student-friendly text is an invaluable addition to any WTE or Property course taught in the State of New York. *A New York Companion for the Course in Wills, Trusts, and Estates* features:

- Statutory provisions selected from the Estates, Powers, and Trusts Law (ETPL), as well as from the:
 - Surrogate's Court Procedure Act (SCPA)
 - Domestic Relations Law (DRL)
 - Civil Practice Law and Rules (CPLR)
 - General Obligations Law (GOL)
 - Banking Law
- Lightly edited cases that illustrate the application of important statutes or address questions on which the statutes are silent
- Citations to both cases and secondary authorities to support additional legal research
- Logical sequencing of materials that tracks Dukeminier, Sitkoff, and Lindgren's, *Wills, Trusts, and Estates, Eighth Edition*, but which is adaptable for use with any casebook
