Osborne Clarke : A Practical Guide to e-Commerce and Internet Law before purchasing it in order to gage whether or not it would be worth my time, and all praised A Practical Guide to e-Commerce and Internet Law:

This thorough and comprehensive text aims to be the essential guide to the legal requirements of doing business

online. It covers all the main areas of e-commerce and Internet law, including: domain name registration; dispute resolution; contractual arrangements; dealing with third-party suppliers and agents; intellectual property; advertising; content; privacy; and human rights issues. The text also constructs a typical company case scenario to illustrate the legal complexities of e-commerce and alerts readers to potential pitfalls with advice on how to tackle the issues and pre-empt problems.
