Daniel A. Cody, Kathleen Scully-Hayes : A Practical Guide to Medicare Appeals (Practical Guides (American Bar Association)) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Practical Guide to Medicare Appeals (Practical Guides (American Bar Association)):

A Practical Guide to Medicare Appeals describes the steps necessary to successfully resolve appeals of all types of Medicare determinations. Co-authored by a CMS hearing officer and a private practitioner with years of Medicare appeals experience, this book will walk practitioners through every step of the very confusing and sometimes self-contradictory rules so that appeals can be decided on their merits rather than barred for procedural rules violations.
