**From American Bar Association : A Practitioner's Guide to Appellate Advocacy** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Practitioner's Guide to Appellate Advocacy:

A Practitioner's Guide to Appellate Advocacy takes you step-by-step through the process of appellate advocacy. With diverse viewpoints from appellate advocates in private practice, government and academia, the book provides practical

and expert advice for improving your appellate practice. It also examines the variations among the circuits with a focus on each circuit's geographic jurisdiction, its local rules governing motions, mediation, briefs, oral argument, appendices, and the publication of its decisions.
