**John Thurston : A Practitioner's Guide to Powers of Attorney: Eighth Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Practitioner's Guide to Powers of Attorney: Eighth Edition:

A Practitioner's Guide to Powers of Attorney is a practical, user-friendly, and easy-to-read guide to all forms of powers of attorney in the UK, including ordinary powers of attorney, lasting powers of attorney, and enduring powers of

attorney. Providing a detailed overview of the subject as a whole, this eighth edition provides in-depth advice on more specific and complex areas, including execution of documents and protection of third parties. It is fully updated and includes all relevant UK legislation. This is an invaluable handbook, not only for the legal adviser, but also for anyone who is acting under a power of attorney and needs to know their powers, duties, and rights.

About the Author John Thurston, LLB, TEP, Solicitor practices in the law relating to wills, trusts, taxation, powers of attorney and elderly clients. He frequently presents courses for Progressive Legal and MBL Seminars and local law societies. He is also the author of *A Practitioner's Guide to Trusts*, *A Practitioner's Guide to Inheritance Claims* and *A Practitioner's Guide to Executorship and Administration*, all published by Bloomsbury Professional. John Thurston also works as a consultant.
