**Dr Myron M Persoff : A Primer for Medical Risk Management** before purchasing it in order to gauge whether or not it would be worth my time, and all praised *A Primer for Medical Risk Management*:

1 of 1 people found the following review helpful. Great book, loaded with information. By Valeria Mariscal An important book written by an expert in the medical field, Dr Persoff shares his knowledge clearly, in a way that is understandable and interesting. This book is highly recommended, loaded with invaluable information.

This book was written as a concise guide to healthcare professionals to cope with the specter of a medical malpractice suit. Included is a glossary of terms and an examination with answers.

About the Author The author wrote this book in the 90's when he was serving as the Risk Manager for PNRRG, a physician owned medical malpractice company.
