Philip A Rafferty : A Silver Bullet: For Roe v. Wade before purchasing it in order to gage whether or not it would be worth my time, and all praised A Silver Bullet: For Roe v. Wade:

Knocking down Roe v Wade does no more than returning to the several states of the Usa the constitutionally recognized authority either to allow ow outlaw procured abortion whereas knocking Roe v Wade upside down constitutionally constitutionally compels every such state to 1) outlaw procured abortion and 2) employ all reasonably

available governmental means for safeguarding the Child-Person living in the womb of his or her mother.
