**A. K. Biggs, K. Donnelly : A Step-by-step Guide to Wills and Probate** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Step-by-step Guide to Wills and Probate:

An easy-to-use guide designed for use by anyone intending to make a will. It also covers the procedures for probate and administration of an estate. Although it has been written for those who wish to "do-it-themselves", the book should also be helpful to those intending to consult a solicitor.
