Augustus Peabody Loring : A Trustee's Handbook (Classic Reprint) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Trustee's Handbook (Classic Reprint):

0 of 0 people found the following review helpful. One StarBy orderlyNot really keeping up with todays problems of a trustee0 of 0 people found the following review helpful. Very Old TextBy College KidOriginally published in 1898 - historical interest only.

This little book is meant to state, simply and concisely, the rules which govern the management of trust estates, and

the relationship existing between the trustee and beneficiary. The lack of a Handbook of this kind has led me to complete and publish what were originally notes for personal use merely. As the book is for general as well as professional readers, the citations are illustrative, with an approach to completeness only where the law is doubtful or conflicting. But pains has been taken to notice the peculiarities of local State law, especially where dependent on statute. I wish to acknowledge my obligation to the writers of the many admirable text books which bear on my subject, all of which I have used freely, and to which I have referred often for a fuller discussion of principles and a more complete citation of authorities; and I have to thank Mr. Edward A. Howes, Jr., for his valuable assistance in digesting cases and passing this volume through the press. AUGUSTUS PEABODY LOSING.(Typographical errors above are due to OCR software and don't occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books' Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
