Four StarsBy Princeton BrooksThe book was useful but some of the pages were ripped, but it served its purpose.0 of 0 people found the following review helpful. Great updateBy MarionPCGreat update explaining OBF22A. Hypothetical problems are great exercises for class discussions. The case studies provide real-life opportunities to learn how to complete bankruptcy forms.

With a hands-on approach that includes case studies and learn-by-doing exercises, this new text builds a critical bridge between simply understanding bankruptcy concepts and employing them confidently, like an experienced paralegal.

Broad coverage includes basic bankruptcy, debt creation, secured transactions, the law of liens, and debt collection. Practical, accessible, and timely, *The ABCs of Debt* features: Learning-by-doing exercises, problems, and hypotheticals that bring a strong hands-on, skill-building component to any study of bankruptcy law Broad yet succinct coverage of basic bankruptcy and related topics, such as debt creation, debt collection, and the discharge or reorganization of debt in bankruptcy A clear, readable format that facilitates understanding Realistic case studies that encourage students to apply new concepts Examples throughout the text that make abstract principles concrete Case excerpts and summaries that link theory to doctrine Thought-provoking ethical queries that raise issues arising in practice Key terms and review questions in every chapter that aid study and review
