#1860096 in Books 2009-08-25 Original language: English PDF # 1 .44 x 6.51 x 9.42l, .85 #File Name: 0314199659286 pages Thomson West Professional Responsibility 03141996599780314199652 TRUSTED SELLER. NEW. 5 STAR RATING. Acing Professional Responsibility (Acing (Thomson West)) by Leslie W. Abramson (Aug 25, 2009) Synopsis This study aid features an innovative method of content organization. It uses a checklist format to lead students through questions they need to ask to fully evaluate the legal problem they are trying to solve. It also synthesizes the material in a way that most students are unable to do on their own, and assembles the different issues, presenting a clear guide to analysis that students can draw upon when writing their exams. Other study aids provide sample problems, but this book offers a systematic approach to problem solving. ISBN: 0314199659 ISBN-13: 9780314199652 ASIN: 0314199659 Publisher: Thomson West | File size: 16.Mb

**Leslie W. Abramson : Acing Professional Responsibility (Acing Law School) (Acing (Thomson West))** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Acing Professional Responsibility (Acing Law School) (Acing (Thomson West)):

2 of 2 people found the following review helpful. Who cares about the typos? By Norman Bates Were there typos? I don't remember any, but even if there were, who cares? I remember my A+ in PR and using this book to help me

review. Simply put, the book serves its purpose helping a law student ace professional responsibility. When it comes to a study aid, I am looking for the ability of the aid to help me comprehend the material and do well in the class and on the final and this book did. I agree a book should be proofread before publication. But given the option between acing an exam with a book that has typos or having a grammatically perfect study aid not be of any actual help, I choose the former. 1 of 1 people found the following review helpful. Good Primer By emt103c Though the other commenter is correct (there are typos in this book) I found it to be very helpful for someone who hated PR, had a textbook that was convoluted and horrible, and just needed a good, quick review. I really enjoyed it and it served the purpose. 0 of 1 people found the following review helpful. Terrible By jbw899 This book is terrible. It contains numerous typos and incomprehensible sentences. In addition some of the explanations and statements of law are incomplete and/or explained poorly. Don't waste your money on this book, I'd strongly suggest you use another one to study for PR.
