Nelien Haspels : Action Against Child Labour before purchasing it in order to gauge whether or not it would be worth my time, and all praised Action Against Child Labour:

Comprehensive and timely, this essential book provides a wealth of practical information on planning and carrying out action against child labor. Offering an array of effective strategies, instruments, methodologies, and information, it stresses a multi-pronged approach to combating child labor on several fronts: economic, educational, social, and cultural. It provides striking examples of effective legislation, policies, programs, and projects, and offers step-by-step

guidelines for their precise implementation. Action Against Child Labor examines in depth the vital functions of national policies and programs against child labor, while providing valuable insight on developing and improving existing policy, setting priorities for action, capacity building, and creating social alliances. In addition, it spotlights ways to improve the knowledge base on child labor, provides technical and practical guidelines for designing and conducting surveys, and offers insights on obtaining information on children. Compiled by an array of child labor experts, this invaluable resource will help governments, employers' and workers' organizations, and NGOs contribute to eliminating child labor.

About the Author Nelien Haspels has worked with ILO partners worldwide on programmes to eliminate child labour and promote gender equality at work. She is currently Specialist on Gender and Women Workers' Issues with the ILO's East Asia Multidisciplinary Advisory Team. Michele Jankanish was until recently the senior legal adviser in the ILO's Working Conditions and Environment Department, responsible for standard setting leading to adoption of the Worst Forms of Child Labour Convention. She is currently International Labour Standards and Labour Law Specialist in the ILO's Multidisciplinary Advisory Team, Port-of-Spain, Trinidad.
