**(author) Jens Petersen : Adam Smith ALS Rechtstheoretiker (Hardback)(German) - Common** before purchasing it in order to gage whether or not it would be worth my time, and all praised Adam Smith ALS Rechtstheoretiker (Hardback)(German) - Common:

Adam Smith was not just a pioneer of political economy; he was also a moral philosopher who aspired to write a systematic theory of law. Though he never completed the project - he asked the executors of his estate to burn his notes - his major published works contain a multitude of passages from which significant portions of his legal theory can be reconstructed. Many of Smith's views are of great...
