Terrell G. Sandoval : Adam Walsh Child Protection and Safety Act: Analysis and Law (Children's Issues, Laws, and Programs) before purchasing it in order to gage whether or not it would be worth my time, and all praised Adam Walsh Child Protection and Safety Act: Analysis and Law (Children's Issues, Laws, and Programs):

The provisions for the Adam Walsh Child Protection and Safety Act fall into four categories: a revised sex offender registration system, child and sex related amendments to federal criminal and procedure, child protective grant programs, and other initiatives designed to prevent and punish sex offenders and those who victimise children. This book provides a full analysis of the Adam Walsh Child Protection and Safety Act and other recent legislation and issues in the sex offender registration and community notification laws. This book consists of public documents which have been located, gathered, combined, reformatted, and enhanced with a subject index, selectively edited and bound to provide easy access.
