Wendy Van Duyne : Administrative Law Guide for Paralegals (Paralegal Practice Library) before purchasing it in order to gage whether or not it would be worth my time, and all praised Administrative Law Guide for Paralegals (Paralegal Practice Library):

"Administrative Law Guide for Paralegals," an entry in the Paralegal Practice Library, describes all aspects of administrative law, including government and motor vehicle regulations, civil rights and labor relations. It includes in-depth coverage of the paralegal's role in the hearing process, a detailed listing of sample cases heard before an administrative law court, as well as non-attorney representation. It also contains a complete explanation of hearing procedures including discovery and motion practice.

From the PublisherDescribes all aspects of administrative law, including government and motor vehicle regulations, civil rights and labor relations. Includes in-depth coverage of the paralegal's role in the hearing process, a detailed listing of sample cases heard before an administrative law court, as well as non-attorney representation. Also contains a complete explanation of hearing procedures including discovery and motion practice.
