Heather Swindells, Clive Heaton : Adoption: The Modern Procedure before purchasing it in order to gage whether or not it would be worth my time, and all praised Adoption: The Modern Procedure:

This invaluable new practice work is a companion to the successful title Adoption: The Modern Law (ISBN 0 85308 762 8-Paper-\$59.00-2003) by Caroline Bridge and Heather Swindells. The book contains an accessible and detailed examination of the new procedural regime governing applications under the UK Adoption and Children Act 2002 coming into force on December 30 2005. Appendices contain all key UK statutory rules, regulations, and guidance,

including the Family Procedure (Adoption) Rules 2005 and supplementary Practice Directions.
