Combining recent syllabus coverage with exercises and exam-style questions, this is the second edition of this text focusing on taxation and trusts. It features improved exam focus with recent trends incorporated. Awarded by the Chartered Insurance Institute (CII), the AFPC is designed for people involved in the selling of financial products or services, and represents the next optional level of qualification, from the FPC. This range is updated annually, but there is also a supplement in January, covering syllabus and legislative changes.
