Kathleen A. Portuan Miller : Advanced Legal Research Exercise Manual before purchasing it in order to gage whether or not it would be worth my time, and all praised Advanced Legal Research Exercise Manual:

"Advanced Legal Research Exercise Manual" is a text written by a legal research and writing professional for paralegal and law students and their instructors. Presented with a practical and educational approach, it provides students with a solid understanding of how to conduct legal research. Covering a wide array of subjects, including medicine, business and the Internet, the text is widely applicable. Each chapter contains an introduction, an overview

and a variety of exercises to help the student attain a better understanding of the material.
