Lawrence Frolik : Aging And The Law before purchasing it in order to gage whether or not it would be worth my time, and all praised Aging And The Law:

As Americans live longer, and as the 'baby boom' generation approaches retirement, the social, political, and legal needs of older citizens pose a challenge to our institutions. One response has been the rise of 'elder law'. This title gathers together some of the seminal essays on the intersection of law and issues affecting older Americans.

From the Publisher A compilation of leading articles on the myriad issues of "elder law" About the Author Lawrence A. Frolik is Professor, University of Pittsburgh School of Law.
