Rick L. Law, Kerry Peck : Alzheimer's and the Law: Counseling Clients with Dementia and Their Families before purchasing it in order to gauge whether or not it would be worth my time, and all praised Alzheimer's and the Law: Counseling Clients with Dementia and Their Families:

About 4-5 million people in the United States have some degree of dementia, and Alzheimers is the most common form. This timely new resource gives lawyers the information they need to understand both the law and the emotions of working with a client who has Alzheimers disease. You'll find valuable information on: The ethics of working with clients with Alzheimers Health care options and how they affect the patient, the family and spouse The long-term legal outlook, and protecting the family assets and much, much more!This ground-breaking book will provide the knowledge you need to answer client questions, and guide them through the arduous journey of dealing with dementia. The book also includes interviews with doctors, a hospice nurse, and the leaders of the Alzheimers Association.

About the AuthorRick L. Law is the lead attorney for Law ElderLaw, LLP, and resides in Chicago, Illinois.Kerry Peck is the Managing Partner of Peck Bloom, LLC, and lives in Aurora, IL.
