Sheriff Arpaio : America's Toughest Sheriff: How We Can Win the War Against Crime before purchasing it in order to gage whether or not it would be worth my time, and all praised America's Toughest Sheriff: How We Can Win the War Against Crime:

1 of 1 people found the following review helpful. One of the best books I have readBy Sissy907One of the best books I have read. I really enjoyed knowing how this man came to think and feel the way he does and why he chose to make

the changes in Maracopa County. Definitely worth reading for those that dont understand his take on things before they pop off and sound like a fool because they cannot take the time to be informed.0 of 0 people found the following review helpful. This is about making a political statement on your book shelf and to that end it does a great job.By GrantEven Arpaio admits he did not write the book, but nobody who buys the book is going to read it either. This is about making a political statement on your book shelf and to that end it does a great job.1 of 1 people found the following review helpful. Sheriff Joe a Lawman in shades of wyatt Earp.By frank ayerstells it like it is as only Sheriff Joe can, you may not like him, but he is spot on.

Speaking plainly and courageously about crime, punishment, and politics, this book demands to be read. --Rush Limbaugh, Political commentator, talk show host

From Publishers WeeklyAfter 32 years as a federal drug official, Arpaio was elected sheriff of Maricopa County in Arizona, an area as large as New Jersey. Confronted with a 10% budget cut and overcrowded jails, he houses prisoners in tents in the desert. Prohibitions are strict: no smoking, no coffee, no nudie magazines, no violent TV shows. There are educational opportunities, but only 30% of the inmates participate. Arpaio instituted chain gangs, composed of volunteers, to do clean-up work; he also organized a civilian corps to assist his department. The mass media have attacked Arpaio as a vestige of a bygone era, but his book, written with Sherman (The Good, Bad and the Famous), makes a strong case that he is a tough, not a cruel, cop.
