**Francis Paul Prucha : American Indian Treaties: The History of a Political Anomaly** before purchasing it in order to gage whether or not it would be worth my time, and all praised American Indian Treaties: The History of a Political Anomaly:

0 of 0 people found the following review helpful. Five StarsBy Satisfied in SeattleAnother masterpiece by Prucha. Very helpful and informative.0 of 0 people found the following review helpful. Four StarsBy james tufanoexcellent resource on the subject0 of 0 people found the following review helpful. Five StarsBy Quientell WalkerGreat addition

to my library!

American Indian affairs are much in the public mind today hotly contested debates over such issues as Indian fishing rights, land claims, and reservation gambling hold our attention. While the unique legal status of American Indians rests on the historical treaty relationship between Indian tribes and the federal government, until now there has been no comprehensive history of these treaties and their role in American life. Francis Paul Prucha, a leading authority on the history of American Indian affairs, argues that the treaties were a political anomaly from the very beginning. The term "treaty" implies a contract between sovereign independent nations, yet Indians were always in a position of inequality and dependence as negotiators, a fact that complicates their current attempts to regain their rights and tribal sovereignty. Prucha's impeccably researched book, based on a close analysis of every treaty, makes possible a thorough understanding of a legal dilemma whose legacy is so palpably felt today.

About the Author Francis Paul Prucha, S.J. is Professor Emeritus of History at Marquette University. Among his many books is *The Indians in American Society: From the Revolutionary War to the Present* (California, 1985).
