Kern Alexander, M. David Alexander : American Public School Law before purchasing it in order to gage whether or not it would be worth my time, and all praised American Public School Law:

2 of 2 people found the following review helpful. and books like this legal textBy Jim MaryottAs a college professor, I taught school law. For anyone who is not an attorney, do not make legal decisions, instead make administrative decisions that's based upon school policy, your union agreement, and books like this legal text. This book is well documented and up to date. It is broad in its scope, yet its specific enough to inform you about contracts, "separation of church and state", and the "separate but equal" law that lasted from 1896 to 1954, the Courts decisions from Plessy v. Ferguson to Brown v. BOE of Topeka. The scope of this book is broad, yet deep...I recommend this book for

anyone who wants to gain information about legal matters that pertains to school law. 12 of 12 people found the following review helpful. Almost Painless Public School Law By Scout This Sixth Edition of American Public School Law is a comprehensive treatment of noteworthy public school case law that also serves to outline the history of our country. It's user friendly, while not lowering the bar for comprehension. Legal lingo is left intact, but translations are offered for those of us who are reading it for School Law classes, as opposed to Law School classes. There's a useful glossary, and a handy index for locating specific topics, and the cases that illustrate them. This is a book you'll want to keep. 0 of 0 people found the following review helpful. Five Stars By MKWNice tool on to have on hand at school.

This popular and well-known textbook provides a comprehensive view of the law that governs the state schools systems of the United States. It presents and discusses legal cases concerned with the multitude of issues facing the public school system, including such issues as teaching diverse student populations, teacher rights, and the role of the Federal government. Over 1300 citations and school law case excerpts are included.

"Kern Alexander was the lead author of this text when it was first published in 1969 under the title of Public School Law and has either authored or co-authored all subsequent editions. Dr. Alexander is a widely published author in the fields of education law and finance. He served as Professor of Educational Administration at the University of Florida for nearly two decades, and later as University Distinguished Professor at Virginia Tech. He has been President of Western Kentucky University and Murray State University, Kentucky, and is currently Professor of Educational Administration at the University of Illinois, Urbana-Champaign. He continues to take an active role throughout the United States in litigation involving equity in school finance."
