Family Limited PartnershipsBy Malakabook is full of information and examples.. and tells how to go about it.. but doesn't get to all the nitty gritty.. its a good primer so you don't go to a lawyer cold. and gives good advice on some of the things that should be in the agreement.. but is not a state by state coverage and

you will need more details about your state to complete anything but it gives a good reference in the back on what you are looking for.

Providing the necessary background for lawyers and financial planners to accurately advise clients on transferring wealth through the establishment of a business entity.
