**Louis A. Mezzullo : An Estate Planners Guide to Family Business Entities: Family Limited Partnerships, Limited Liability Companies and More** before purchasing it in order to gage whether or not it would be worth my time, and all praised An Estate Planners Guide to Family Business Entities: Family Limited Partnerships, Limited Liability Companies and More:

0 of 0 people found the following review helpful. Five StarsBy CarleenJust what we were looking for.8 of 8 people found the following review helpful. Family Limited PartnershipsBy Malakabook is full of information and examples.. and tells how to go about it.. but doesn't get to all the nitty gritty.. its a good primer so you don't go to a lawyer cold. and gives good advice on some of the things that should be in the agreement.. but is not a state by state coverage and

you will need more details about your state to complete anything but it gives a good reference in the back on what you're looking for.

This concise guide provides a framework for selecting the most appropriate means of transferring wealth through the establishment of a business entity, including S corporations, C corporations, partnerships, and LLCs. It explains the different techniques available for effectively planning the transfer of a client's wealth, beginning with an explanation of the objectives and techniques of estate planning for closely held business owners. Topics include entity classification for tax purposes; transfer and partnership tax issues; and examples of tax savings. Includes sample forms, including a limited partnership agreement.
