**From Brand: SAGE Publications Ltd : An Introduction to Early Childhood: A Multidisciplinary Approach** before purchasing it in order to gauge whether or not it would be worth my time, and all praised An Introduction to Early Childhood: A Multidisciplinary Approach:

Covering the major themes of early childhood education and care, this new edition of a popular book has been updated to cover recent developments in the early years field. Linking theory and practice, it covers Early Years Professional Status (EYPS), the National Professional Qualification for Integrated Centre Leadership (NPQICL) and the new Early Years Foundation Stage (EYFS). Where appropriate, account is taken of the regional differences between policy and practice in England, Scotland, Ireland and Wales.

About the Author Tim Waller is Editor of this book, and Professor of Child and Family Studies at Anglia Ruskin

University. The majority of the contributors are based at the University of Northampton, and this is very much a team book.
