Charles H. Kennedy, M. Veronica Pastor : An Introduction to International Telecommunications Law (Artech House Telecommunications Library) before purchasing it in order to gage whether or not it would be worth my time, and all praised An Introduction to International Telecommunications Law (Artech House Telecommunications

Library):

This new book surveys the law of international telecommunications from two perspectives. First, it describes the rules under which information moves from one nation to another; and second, it examines the rules under which individual nations regulate the movement of information within their borders.
