Thomas H. Quinn, Terence R. Quinn, Robert H. Quinn : Anatomy for Attorneys: A Clinical Atlas With Case Studies before purchasing it in order to gauge whether or not it would be worth my time, and all praised Anatomy for Attorneys: A Clinical Atlas With Case Studies:

Creighton School of Medicine, Omaha, NB. A reference atlas on anatomy for attorneys involved in personal injury litigation. Covers general anatomy as well as each of the body's systems in detail. Includes detailed color and halftone illustrations, as well as diagrams and other explanatory material.
