Angels of Death: Doctors and Nurses who Murder Their Patients:

Angels of Mercy/ Angels of Death is a book about true crimes from all over the World done by the Medical Community who are the caretakers of the ill and infirm. There are many examples of Doctors and Nurses in the book who chose to take lives rather than guard them.

About the Author Brenda Kay Winters and her daughter Mignon Morgan are a Mother/Daughter Author team who have written over a hundred books. Brenda Kay worked for the Denton County Sheriff's Office as a jail Nurse and later as a prison officer for the State of Texas. She and her daughter reside in Texas.
