Mark L Ascher, Grayson McCouch : Ascher and McCouch's Selected Statutes on Trusts and Estates, 2012 before purchasing it in order to gage whether or not it would be worth my time, and all praised Ascher and McCouch's Selected Statutes on Trusts and Estates, 2012:

This casebook statutory supplement meets the needs of students in basic and advanced courses on wills, trusts, decedents' estates, fiduciary administration, and future interests, providing a selection of essential statutory provisions and official comments. It covers a wide range of topics, including will formalities, probate administration, rules of

construction, the statutory rule against perpetuities, prudent investment, and principal and income. The changes are primarily in the Uniform Probate Code, including 2010 amendments to the official comments and 2011 technical amendments to the statutory text, as well as new Article 5A concerning adult guardianship and protective proceedings jurisdiction. Also included is new Uniform Trust Code sec. 113 concerning insurable interest.
