Irwin Garfinkel : Assuring Child Support: An Extension of Social Security before purchasing it in order to gage whether or not it would be worth my time, and all praised Assuring Child Support: An Extension of Social Security:

In the United States, rates of divorce and out-of-wedlock childbirth are climbing so dramatically that over half of the next generation is likely to spend part of its childhood in single-mother families. As many as half of these families will live in poverty, caused in large measure by the failiure of current government regulations to secure adequate child

support from absent parents and to assure minimum support when parents cannot provide it. *Assuring Child Support* introduces the Child Support Assurance System, a remedy to this problem that is both feasible and affordable, a practical reform that is within the nation's grasp. "An extremely well-written and provocative book." *Eastern Economic Journal*
