**Belinda Fehlberg, Rae Kaspiew, Jenni Millbank, Fiona Kelly, Juliet Behrens : Australian Family Law: The Contemporary Context Teaching Materials** before purchasing it in order to gage whether or not it would be worth my time, and all praised Australian Family Law: The Contemporary Context Teaching Materials:

Australian Family Law Teaching Materials, Second Edition, includes carefully selected primary and secondary

materials to assist with teaching and learning family law. Engagement with this material will help readers to develop essential skills in the use of primary sources (cases and legislation), and enable them to better assess the authors' views of the material and to form their own.
