Richard W. Wydick : Bar/bri Bar Review Professional Responsibility before purchasing it in order to gage whether or not it would be worth my time, and all praised Bar/bri Bar Review Professional Responsibility:

0 of 4 people found the following review helpful. BarBri bar review for MPREBy Christine K. SmithThank you very much for such prompt delivery. The item was in perfect shape and exactly as described.

This book contains everything you need to know to pass the Multistate Professional Responsibility Examination (MPRE), an exam designed to test your ability to apply a set of detailed legal rules--similar to the legal rules you have learned in other courses in law school. You cannot pass the exam simply by having good morals and good manners. You must know the rules and how to apply them. This book shows you how. While the MPRE is not easy, it is fair. You will find that a reasonable effort, used the approach outlined in this book, will produce great rewards.
