Richard C. Wydick : Barbri Bar Review Professional Responsibility (2008) before purchasing it in order to gage whether or not it would be worth my time, and all praised Barbri Bar Review Professional Responsibility (2008):

3 of 3 people found the following review helpful. Best Preparation for the MPREBy Jennifer M. PolichencoI used this book over the course of two days in preparation for the MPRE, and I feel like it did a sufficient job of teaching the Model Rules. The four full tests in the back of the book are the most helpful, because the answers contain very thorough explanations, which help you learn the rules even more.
