Barbri prep materials are laid out logically and do not overwhelm you with too much information. FYI: I signed up for Barbri and their competition for the law review prep course. Passed the bar the first time out! Hands down, I recommend Barbri over the competitor. Barbri materials are concise and organized. Their competition's materials lack organization unless you enjoy referencing four books to answer one review question. Their competition overwhelms you with too much information.0 of 0 people found the following review helpful. By chris brenesGood conditioning they stated it would be
