**Anthony Trollope : Barchester Towers** before purchasing it in order to gage whether or not it would be worth my time, and all praised Barchester Towers:

0 of 0 people found the following review helpful. Unique style.By Daniel G. DoyleFirst time I've read Trollope. Unique writing style that kept me turning pages. The language at the time along with unfamiliar words made for a slow read, which could wear on the patience of those who prefer an unchallenging quick pace. Takes some concentration to keep track of the many characters and their names without having to turn back to clarify scenarios. I got used to doing that and enjoyed the novel anyway.0 of 0 people found the following review helpful. Barchester Towers Anthony TrollopeBy MartinI decided to read this as a piece of nostalgia because I'd never tackled Trollope before. It's really quite cleverly constructed and in the end the villain gets his comeuppance and everyone lives happily ever after. The background of scenery and social life is fascinating as a piece of history, especially in relation to the power of the church at the time, and the rigidity of the social structure. The language is ponderous and elaborate but

that's just part of the age and worth tolerating for the sake of a nice story. Give it a try. 0 of 0 people found the following review helpful. Engaging read By Steven E. Dyson Great story. Interesting characters. Very engaging in terms of character and plot developments. Edifying insights into human nature and human 'dangers' we all face in our relationships including the most important ones. The author's 'asides' are full of good humor and often close to hilarious. Trollope is very skillful in developing and maintaining suspense with re to plot lines and their development. Personally speaking, this is a book I would enjoy reading again.

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book. ++++ The below data was compiled from various identification fields in the bibliographic record of this title. This data is provided as an additional tool in helping to ensure edition identification: ++++ Barchester Towers; The English Com??die Humaine Anthony Trollope The Century Co., 1903

.com This 1857 sequel to *The Warden* wryly chronicles the struggle for control of the English diocese of Barchester. The evangelical but not particularly competent new bishop is Dr. Proudie, who with his awful wife and oily curate, Slope, maneuver for power. *The Warden* and *Barchester Towers* are part of Trollope's *Barsetshire* series, in which some of the same characters recur. `What has kept Trollope in the forefront of this country's great writers is his powers of ironical observation and nowhere is that more in evidence than in *Barchester Towers*.' *Herts Advertiser*, May '97 `What has kept Trollope in the forefront of this country's great writers is his powers of ironical observation and nowhere is that more in evidence than in *Barchester Towers*.' Noel Cantillon, *Hitchin Gazette* From the Publisher Founded in 1906 by J.M. Dent, the Everyman Library has always tried to make the best books ever written available to the greatest number of people at the lowest possible price. Unique editorial features that help Everyman Paperback Classics stand out from the crowd include: a leading scholar or literary critic's introduction to the text, a biography of the author, a chronology of her or his life and times, a historical selection of criticism, and a concise plot summary. All books published since 1993 have also been completely restyled: all type has been reset, to offer a clarity and ease of reading unique among editions of the classics; a vibrant, full-color cover design now complements these great texts with beautiful contemporary works of art. But the best feature must be Everyman's uniquely low price. Each Everyman title offers these extensive materials at a price that competes with the most inexpensive editions on the market-but Everyman Paperbacks have durable binding, quality paper, and the highest editorial and scholarly standards.
