Amy E. Sloan : Basic Legal Research: Tools and Strategies, Fifth Edition (Aspen Coursebook) before purchasing it in order to gage whether or not it would be worth my time, and all praised Basic Legal Research: Tools and Strategies, Fifth Edition (Aspen Coursebook):

This best-selling coursebook on legal research is known for its clear, step-by-step instruction in the basics. Using a

building-block approach, the text breaks material into discrete, readily comprehensible parts. Self-contained chapters on sources make the book flexible for any type of legal research course. Useful pedagogy throughout the text includes end-of-chapter checklists, clear examples, and summary charts. Helpful sample pages and examples of research sources guide students through the presentation, and an accompanying workbook provides exercises to test comprehension. The Fifth Edition provides thoroughly updated coverage of the research platforms such as WestlawNext, Lexis Advance, and Google Scholar, including the most current information about their features and use. All sample pages and screen shots have been updated.
