Amy E. Sloan : Basic Legal Research: Tools Strategies 4e before purchasing it in order to gage whether or not it would be worth my time, and all praised Basic Legal Research: Tools Strategies 4e:

0 of 0 people found the following review helpful. Five StarsBy StephanieExcellent.0 of 0 people found the following review helpful. i think its ok had to buy it b/c of schoolBy Customeri think its ok had to buy it b/c of school0 of 0 people found the following review helpful. Needs updated: so much changes so quickly regarding online ...By Chelle GreggNeeds updated: so much changes so quickly regarding online legal research. Otherwise, very comprehensive and very well written. Especially considering the topic.

p With so many texts available for legal research courses, how does **Basic Legal Research: Tools and Strategies** maintain its best-selling status? By concentrating on fundamental skills and offering premium teaching support for professors and students. /p p **Basic Legal Research: Tools and Strategies**, leads the field with:

- accessible, clear, step-by-step instruction on the basics of legal research
- a building-block approach that breaks the material into discrete, easily digested parts
- self-contained chapters on research sources that can easily adapt to a variety of teaching objectives
- organization within each chapter that allows professors to choose how much emphasis to place on print and electronic research
- helpful end-of-chapter checklists, clear examples, and summary charts that support comprehension and memory
- sample pages and examples of research sources throughout a preview of what students will encounter in practice
