Ellen L. Hughes : Be A Smart Client: Legal Workbook for Personal Injury and Estate Planning before purchasing it in order to gage whether or not it would be worth my time, and all praised Be A Smart Client: Legal Workbook for Personal Injury and Estate Planning:

Leave nothing to chance. This all-inclusive workbook has two sections - one for Personal Injury and one for Estate Planning. Eliminate guesswork Charts and tables organize answers Selection and hiring process Prepare for initial appointment Client responsibilities "Hughes obviously understands lawyers, clients, and the legal profession well and provides concrete, practical steps for clients to take when facing a legal issue." Susan Daicoff, Professor of Law,

Arizona Summit Law School "As a novice to the legal system and handling an attorney, I found the detailed and practical and highly useful information in this book to be an invaluable tool to navigate myself through this mess." DenverGirl2020 The first section was created to be used by anyone who has suffered an injury due to another's negligence and is seeking compensation. Keeping your case details in one place will help things progress more smoothly, with step-by-step assistance throughout your case. It is logical, simple to use and organized. It is the companion book to Be A Smart Client. The second section lets friends and relatives know exactly how you want your assets distributed and your personal belongings handled. Enter your details and you will be able to locate things quickly.
